

## Alumni Associations

The alumni of The ITC are crucial and valuable resources connecting the past, present, and future of the ITC. As a shared resource with celebrated denominational and ecumenical loyalties, alumni of the ITC participate in recruitment, continuing and extension education, event planning and implementation, and fund raising. They support the ITC through unrestricted giving, scholarship programs, other designated gifts, and gifts toward building institutional endowment.

There are many ways that you can remain connected and support your beloved institutions.

You can:

- **Start an Alumni Chapter** that can act as a think-tank for local shared issues, network, and support shared activities. Contact your denominations on how to for your area.
- **Launch a Certificate Program** at your church
- **Visit** the ITC Website and campus ... often!!!
- **Volunteer** at one of the many programs and activities both on and off campus. For volunteer opportunities you can contact the office of Alumni Affairs at the ITC or any one of the denominational constituencies.
- **Stay in touch.** Let us know what you think and how we can support you in your ministry

Click on the link to your seminary to visit their denominational alumni page.
