

## ITC Alumni Associations

The ITC alumni – graduates of the six seminaries that comprise the ITC consortium– are one of the most diverse groups of persons in the world. Because of the unique ecumenical theological experience learning and laboring together at ITC, you are those who are especially prepared to serve in the context of the local congregation or worldwide ministry. You also have a dual-allegiance - to your denominational seminary and to the parent and accreditation entity for all six schools, the Interdenominational Theological Center. The alumni of ITC are crucial and valuable resources for telling the ITC story and continuing the legacy of support for one of the world’s most important institutions for theological endeavor.

ITC invites you to share in the ongoing life of the Center by engaging in alumni events, keeping lines of communication open by sharing your achievements and personal milestones for publication in the Alumni Newsletters and the other magazines published annually to showcase the rich academic program that is unique to ITC. Further, ITC invites your tangible financial support, which undergirds its ability to continue to offer a theological program that is unparalleled and provide scholarships to students with a passion to learn and to serve.

Stay connected to ITC and to your seminary colleagues and friends; and create opportunities to form new friendships and relationships with others, who like you have been blessed by the ITC experience.
